

# Unit 502 April 6, 2025 Minutes

Meeting called to order at 11:30

Members present: Grant Vance, Jessica Lai, Rob Johnson, Tom Pajak, Fred Schwartz, Libby Silver, Andy Wasserman, Don Levine

Treasurer's Report: Much discussion over Jessica's new Format showing Breakdown of Income and Expenses as well as comparisons between the first 3 month of 2025 with last year's first three months. We are financially healthy, losing a small amount of money on bimonthly games but more than making up for it with income from sectionals , special games and interest on CD's. Jessica's changes to reports appreciated and approved.

District 21 report from Tom: Jim Coke is our new President, with Stu Goodgold as Vice President. Lynn Bartz and Ray Yuenger were reelected as Treasurer and Secretary, and Anne Hollingsworth joins the Executive Committee. The District is in good financial health with assets of 425,000 and no liabilities.

Tunnel Tourney Report: Went very well. Greg again used format maximizing interplay between Unit 499 and Unit 502 players. People liked the shorter game format of 2 18 board sessions (except for Grant). Unit 502 won the competition because of a sweep in the lower bracketed game.

Unit Directory: Jo volunteered to cull the current directory list for Unit 502 (we think Joseph Held has the current list) after which we will determine what sort of notification will go out to members regarding their choice of maintaining or removing their name.

Early assignments for June Sectional: Libby obtained the following early assignments for the sectional:

Buying food at COSTCO...Fred

Taking things to Mastik Center Grant and Jessica

Bringing things Back to Center afterwards: Tom

Don will call for volunteers for other tasks closer to the time of the sectional (about a month prior)

Pizza Swiss: Grant Don, Fred and Jessica to bring Pizzas. Chinese chicken salad from someone and Mediterranean COSTCO salad from Fred.

Rob Johnson will check with previous website host to determine why ols site is still up.

99er outreach. More discussion needed but we would like to have a limited game when we run the Unit games. (99er,299er, 499er ???)

Meeting adjourned 12:30 PM
